Cut out your bee wings

Use a piece of cardstock to create a bee wing template. Have kids trace the template on the cookie sheet and cut out with scissors.

Get to painting

Get out lots of paint and paint brushes for kids to choose the best one. Have students paint the wooden ball, bee wings and clay pot to resemble a bee. This may take several crafting sessions to finish this project.

Display the bee for a photo op'

Students will love deocrating their bees. This would be a perfect gift for Mother's Day or just to celebrate spring time.

Don't forget to post to your school's webpage or put in the yearbook!
