

# Conversation Starters

What was the best part about your day?

Name the high point and low point of your day?

What are you looking forward to tomorrow?

How would you solve homelessness?

What did you accomplish today?

Would you rather eat fruit or vegetables for the rest of your life?

If you could do any day over, what day would you do over?

What was the best conversation you have ever had and what was it about?

What can you do today to make tomorrow better?

What is the best pet to own?

What was the kindest thing someone ever did for you?

If you could talk to anyone who would you choose to speak to?

What is the funniest thing that ever happened to you?

What was the biggest surprise you ever had?

What is something you are looking forward to?

What are 3 feelings you have experienced today?

What is something you hope would happen?

What do you want on the menu for this week?

What is your favorite thing to talk about?

If you could change something about yourself, what would it be?

What bands are you listening to today?

How do you deal with stress?

What country do you think has the best government?

Would you ever be vegan?

Where do you see yourself in 5 years?
